

Part 1 – Discovery

Part 2 – Immigration

- Have students investigate their ancestral countries
- Locate those on a map
- Research countries from which immigrants came
- Locate those on a map
- Research when immigrants came
- Produce a timeline of that info
- Determine where in PA those immigrants settled
- Locate those on a PA map
- Research cultural aspects the immigrants brought with them
  - Religion
  - Foods
  - Clothes
  - Music
  - Literature
  - Roles of children
  - Free-time activities
- Find examples of those cultural aspects still in use in our area today
- Through discussion with family, determine which cultural aspects are part of their family life today
- Bring in an example of a cultural aspect to explain to class
